Blue and Gold '71

Seventeenth Edition

In Memory of

MRS. J. McLEAN
B.Ed.
Business Education

During November of this year illness took the life of Mrs. Jean Stuart McLean, a respected and well-liked teacher at Eastglen for the past eight years.

While at Eastglen she taught many of the business courses. Not only was she a teacher, she was also a student. She had been attending night school and going to summer school since 1958. In 1968, Mrs. McLean received her Bachelor of Education degree.

In addition, for the past few years, Mrs. McLean had been the voluntary bookkeeper for the Staff Courtesy Fund.

The absence of Mrs. McLean from the teaching staff is felt by both staff and students.

1970 Universal Education Year

Because 1970 was Universal Education Year, we would like to dedicate a portion of Blue & Gold '71 to the United Nations for the work it has done to promote peace through education.

The following is an excerpt from the constitution of UNESCO:

Article 1 - Purposes and Functions

1. The purpose of the Organization is to contribute to peace and security by promoting collaboration among the nations through education, science and culture in order to further universal respect for justice, for the rule of law and for the human rights and fundamental freedoms which are affirmed for the peoples of the world, without distinction of race, sex, language or religion, by the Charter of the United Nations.

2. To realize this purpose the Organization will:

(a) collaborate in the work of advancing the mutual knowledge and understanding of peoples, through all means of mass communication and to that end recommend such international agreements as may be necessary to promote the free flow of ideas by word and image;

(b) give fresh impulse to popular education and to the spread of culture...

by suggesting educational methods best suited to prepare the children of the world for the responsibilities of freedom;

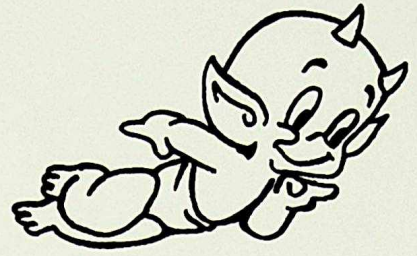

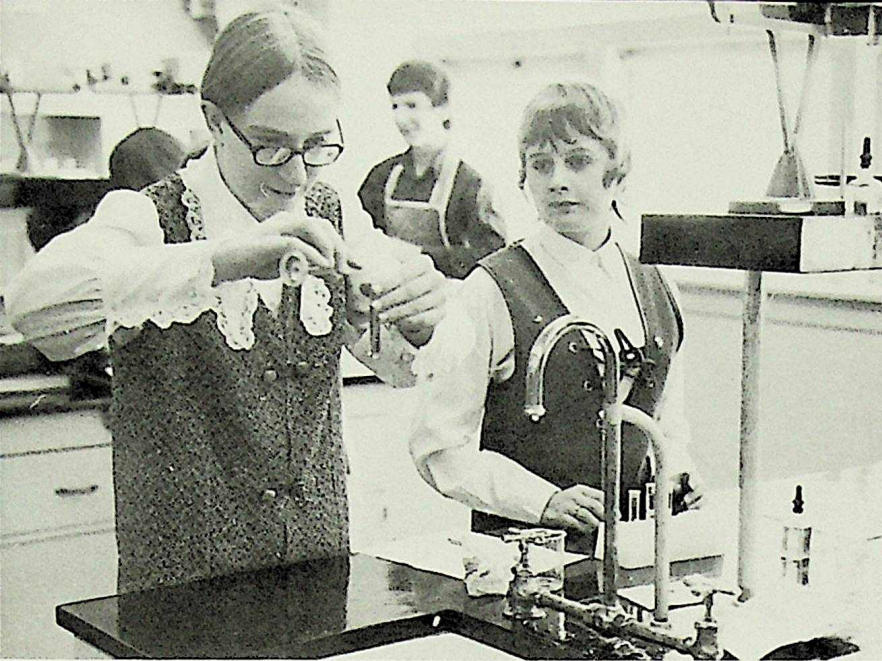

(c) maintain, increase and diffuse knowledge:

by assuring the conservation and protection of the world's inheritance of books, works of art and monuments of history and science...

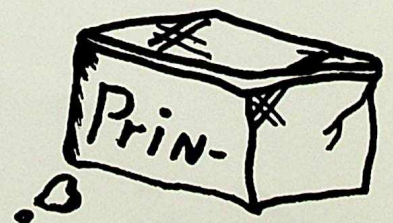

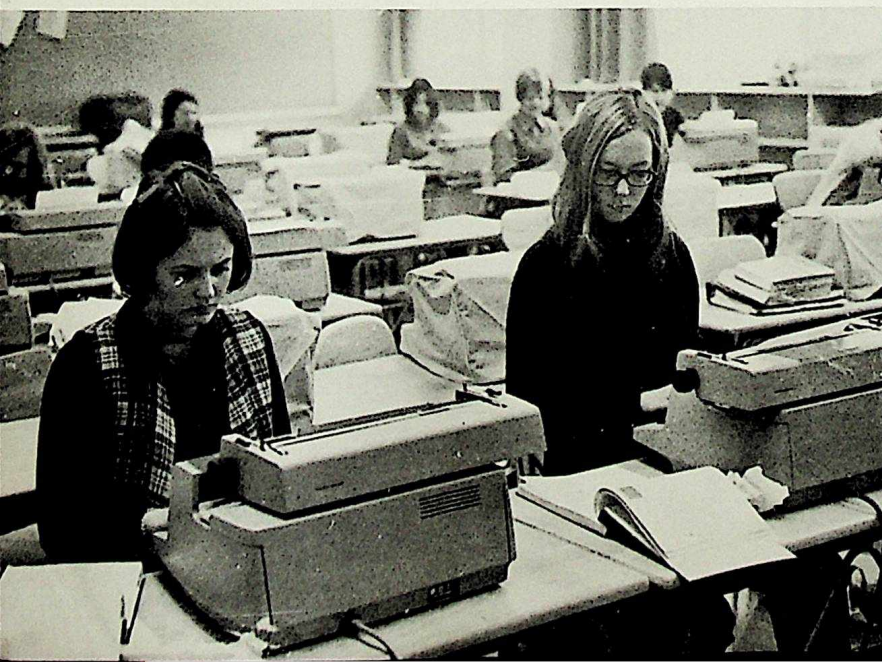

by encouraging co-operation among the nations in all branches of intellectual activity, including the international exchange of persons active in the fields of education, science and culture and the exchange of publications, objects of artistic and scientific interest and other materials of information;

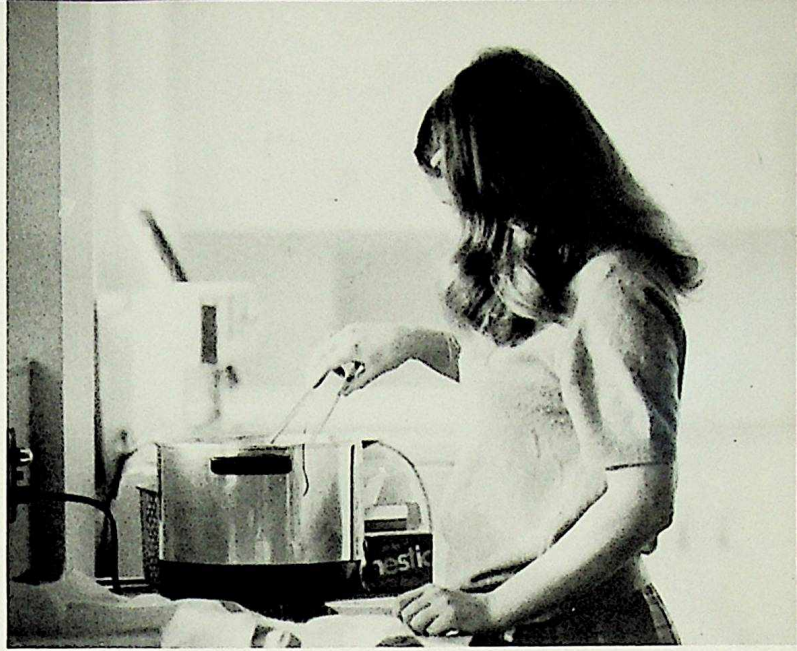

by initiating methods of international co-operation calculated to give the people of all countries access to the printed and published materials produced by any of them.

Class History

It seems like only last week we entered Eastglen but it was really three (or four or five!!!) years ago that we came through the big front doors as Frosh. We were welcomed with a hearty "Hello" from the sophomores and seniors of the school. Unfortunately for us nervous Frosh, however, our greetings too often took the form of a guided tour of the seniors' next class carrying an armload of lead weighted books. We only had to make it through a week of this initiation, though, and after Frosh Court we were accepted as full-fledged Eastglenites.

Our grade ten year at Eastglen was full of exciting school activities. We experienced our first night dance on the weekend after Frosh and in October we dressed up in rags and patches for Sadie Hawkin's Day and the dress down dance, Sadie's Night, with costume judging at intermission. The SHE-devils got together for a Powder-Puff Football Game and for the HE-devils games we got a real goat mascot. Christmas Week was highlighted with a door decorating contest and a Santa's Anonymous Dance where the admission was a gift for a needy child. We had a Student Telephone Directory and plans were started for a student lounge. Basketball season came and we cheered our teams to the quarter-finals. There was a great Spaghetti Dinner put on by the Blue and Gold Cheerleaders; weekends at Sundre; and "David and Lisa", a moving production from the drama department.

June exams were written, the summer passed and we found ourselves in Eastglen's hallways once more. How enthusiastic we were to pass out our own "Hellos" to the new Frosh. To ourselves we wondered, "Could we have looked like that?" NO WAY!!! Grade eleven started off with a fund-raising contest for Cystic Fibrosis in which Eastglen beat all the other schools and was rewarded with a free dance. The cheerleaders put on another great meal, this year a Chili Feed to give us strength for cheering. It worked. We cheered the Blue-Devils to the basketball quarter-finals and the Senior Girls Volleyball Team to the City Championships. A Wheel-chair Basketball Game at which the devils were good-naturedly beaten highlighted one noon hour.

Talented Eastglenites entertained the rest of the school at a Folk Fest and in the spring we dressed in long dresses and bowler hats for Klondike Days featuring a pancake breakfast and a boys' can-can line. The drama department put out another production of comedy and love called "Goodbye, My Fancy", starring other talented budding actresses and actors. Among the dances we attended in grade eleven were another Sadie Hawkin's Dance, a Spring Dance, and Cupid's Caper.

Again we wrote end-of-year exams, left the school for two months of holidays and came back for our final year of Eastglen. As highly Grade 12 Seniors we either protected or slaughtered the Frosh at Frosh Court. Was it our imagination or were the

grade tens shrinking in size every year? We hoped not. We attended our last Frosh Dance and dressed down at L'il Abner Day for the last time. We put our heads together for new and creative ideas to decorate our doors at Christmas. We took a block off classes to watch a Talent Lit featuring vocal numbers, comedy acts, musical numbers and dances. The Students' Union gave the students a chance to ask questions and comment on school issues at two Gripe Sessions during the noon hours. For the first time anywhere, anytime, Eastglenites attended the teachers' Staff Meeting and participated in a discussion on the semester system. We enjoyed "Up the Down Staircase", a drama about high school students like ourselves. We joined for the last time the Ski Club, ISCF, Water Polo, Science and other clubs. We risked our voice boxes in cheering our Blue Devil Football and Basketball Teams. The Senior Girls Volleyball Team won the City Championship and went on to Calgary to place third in the Provincial Tournament. Both the girls' and the boys' teams were among the top in the city. Everyone looked forward to the Red Cross Blood Donor Clinic that Eastglen holds yearly.

And now, with Graduation 71 celebrated we realize we will be leaving soon, leaving a place that has been our home during the day for the past three years. But we will always fondly remember events that happened here during our high school years. So before we leave we want to say "Thanks, Eastglen. Thanks for all the memories."

Honorary President's Message

Your invitation to be the honorary president of your graduating class was a pleasant surprise to me. Pleasant, because you have flattered me with this honour. A surprise because you trust me to be capable of some brief erudition in a subject area which can best be described as the biggest experiment of all - life!

This experiment is an unending one that is not an option to anyone. How well you do depends on your goals and your ability to achieve these. Hopefully, your goals are realistic. If so, we have tried in our own ways, in all our interactions, to help you gain the skills required. The ability to recognize all the alternatives, to select the appropriate course of action, to learn from experience and therefore to modify responses, are but a few of the major skills you have been working at, and will continue to work at in this experiment.

I've been associated with you for the past few years as you've acquired and modified your abilities to decide. I've watched young, indecisive boys and girls enter this school, and I've watched them experiment with various approaches to problem situations, but I'll be watching very decisive young men and women leave our school this spring. I hope you are as proud of yourselves and your acquired abilities as I am.

R.R. Tompkins

Valedictory

In a short time we will be at the crossroads of our lives. After the completion of our formal education we will have to decide, as individuals, the course our lives will follow. To some it may mean a university, college or technical school while others try to break into the working world immediately. The complex and ever-changing world is demanding more highly educated students. As Longfellow wrote:

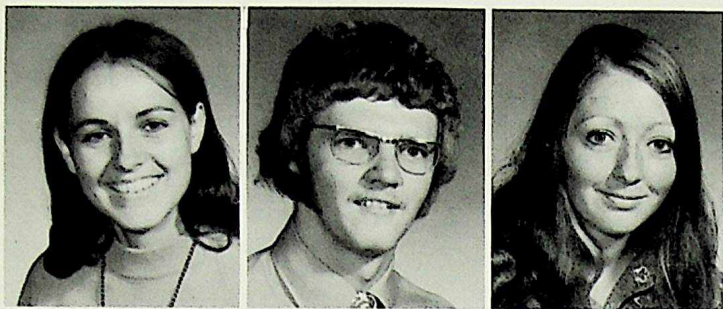

The heights by great men reached and kept
Were not attained by sudden flight,
But they, while their companions slept,
Were toiling upward in the night.

After we leave this school we won't be able to rely on our teachers to guide us and help us make decisions. But now I would like to thank all the teachers for trying to understand us, the student body. Also, parental encouragement has been essential to maintain our progress.

Hopefully no person will be saddened by the separation from his or her fellow students but that each person will think for the future. We must live for the future and not in memories of the past, as we are fast approaching the time when we, the NEW MAJORITY, will rule. We must stand firm and united in policy for with union we have strength, but with division we show weakness. The events which occurred in 1970 in Quebec made us all aware that our "big brother" south of us can't protect us from everything. The new majority must not be a silent majority for we must be vocal if we can ever help this country in any way. But also it is each individual's duty to be an international person and not strictly national. Independence of thought and actions can only mean destruction. Progress for all nations can only be achieved by each country being interdependent on one another. But this relationship can only occur when all nations can learn to co-operate and trust each other. Thus, it is each person's responsibility, as citizens of the world, to unite in the attempt to eliminate the barriers which keep the world divided and weak.

To all graduating from Eastglen Composite High School in this year 1971, may I say GOOD HEALTH, HAPPINESS and MUCH SUCCESS.

Gary Brennan

Linda ADAMS: plans to wait until she's 18 so she can live ... activities include mixed curling ... likes curling and men but dislikes boys and work.

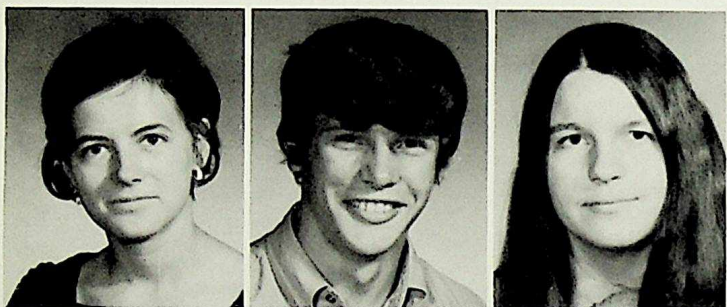

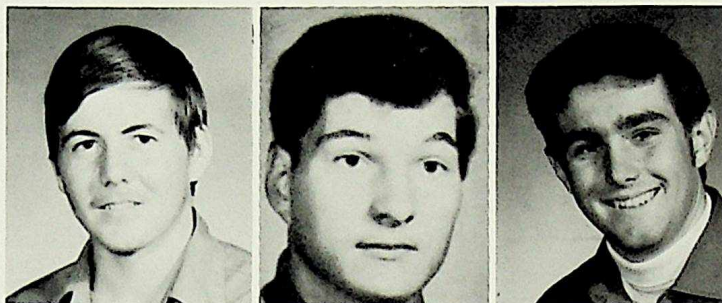

Don AGNEW: plans to travel and attend U of A ... activities are Ski Club (Pres.), Social Board, chess team ... bequeaths his dirty, torn, faded cut-offs to Miss Niblock ... favorite memory was watching Mr. Tychon learn to ski.

Class Prophecy

Here I stand in front of the Bijou Coliseum, the fanciest eatin' place in Rimby, Alberta, awaiting the arrival of some of the most honoured and respected people this side of Vegreville. Rimby has gone all out to make this the biggest social event since the first A.L.C.B. store opened here back in 1933. The town's people have made a banner which reads "Welcome People" and is strung across main street. The mood around here is one of great exuberation as the people wait patiently at their windows for the arrival of the first dignitaries.

Just a minute! I think our first guests are arriving. Woosh!! Well, there go our first guests. Maybe it's because main street Rimby is also Highway 3. I think they've noticed their little mistake and are coming back. Well if it isn't Officer Ken Lynkowski escorting her Honour Mayor J. Melnychuck. (She looks like she has just been stoned - by the town's people that is). Now that many of our guests are arriving I'll retire into the Coliseum and interview a few of them.

Why here's Big Russ Sweet Daddy Heslep. Sweet Daddy, could I get a few words from you for our at-home viewers?

"Certainly, I am sure all my fans are out there just dying to hear Sweet Daddy say a few radiant words from his irresistible lips . . ."

Well, thank you for your comments, Sweet Daddy. Oh, here's Ray Yee, the publisher and editor of Rimby's only Chinese paper, "The Chinese News". Ray, could we have a few words from you?

"Dung Loe toi mia hing ho sayee sauce egg plant".

Glad to hear it, Ray. Well if it isn't the Mackie Mouse Club Band with the president of the club Mackie Mouse and the secretary Megley Mouse (the only bow-legged mouse in captivity). They're all wearing the traditional club hats and singing along to the club song.

For entertainment tonight beside the Mackie Mouse Band, what talent we have for you!! Just glancing at the program I see first in line we have Mike Calverley doing a bubble dance with Don Agnew trying to break the bubbles with a five year growth of beard. Pat Palmquist will sing the Baggy Nylon Blues while tripping over her baggy nylons. For all the kids Fred Comrie will tell some of his best (BS) Believable Stories. Marian Beaver will then display some of the girl guide skills as she gnaws through a two foot wide spruce tree. Next Zuki Siyo will play an African War Song on her bongo drums accompanied by Hank, the Hammer, Koster on his harp, Reg Bobo Jennings on his electric harmonica and Lynn Goober Filipchuk playing her musical beer bottles

with a bottle opener. Normy Brown, Ian McCallum and Rex Phloema will follow wearing fig leaves and singing "I Wish I Were A Tree In Fall". Ted Power and Bob Riddle, two important Salvation Army delegates from Smokey Lake, will speak on the evils of drinking and illegal raffles while the Budjak sisters playing the tambourine and bells sing "Jesus Loves Me, It Is True," followed by A.A. president Brian McClary who will tell us about his many experiences with alcohol and how he was able to kick the habit after he found out all his brain cells were dead. Colleen Mahoney, Erica Gallwitz, Deb Leffler, Lorraine Kushnerik, Deb Evers and Elaine Hole will then sing "Bringing in the Hops". This will be followed by Jack McPherson, Sid Paterson and Ron McRorie playing their transistorized harps and singing that great song "25 to 64 More Pounds". For the adults in the audience the Capitalist Grocery Store Quintet consisting of Larry Schowalter, Mel Carter, Chuck Eliuk, Bob Kirkpatrick, and Gary Palamarek will sing "I'm All Wrapped Up With My Bag" or "How Much are the Squash?"

The guests have now all seated themselves and a hush falls over the Coliseum. Lets watch and listen.

School is what I make of it for myself and is what you make of it for yourself. The things I did were most important to me because I believed in them so I won't say what a great year Eastglen had because everyone has to decide for himself. I just hope you'll all remember the little things you did and learned, things that didn't show up in your marks. For everything you remember don't forget to laugh. It's all gone and past and there's only memories left to make us happy and give us a hope for the future. The minute you took in reading this can never be relived. Keep your chin up and chest out.

Social Board

Naomi Diduck

Words cannot express the gratitude I feel towards the social board, the staff and administration, Mr. Vass and you, the students of Eastglen. I have learned so many things, met so many new people, and accomplished so much, I myself find it hard to believe.

The functions were really no different than what they were last year or the years previous to that, but they somehow seemed better. Why? Because you made them better.

"Progress", I think, is the word that best describes what we made this year. I hope the social functions continue to be bigger and better as the years pass.

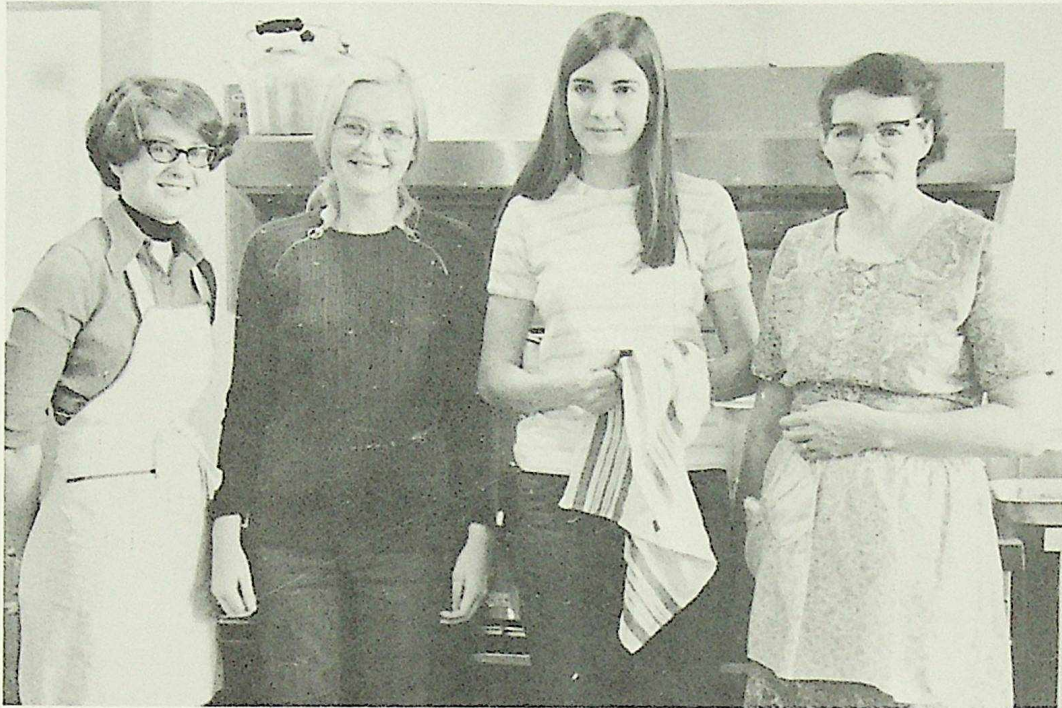

On behalf of the social board, Mr. Vass and myself, our gratitude goes out to the students and staff of Eastglen.

We thank you!
Naomi

Many thanks go to Mrs. Kausy for her sound advice when we needed it, to the Photo Club for the pictures, and to the staff of Blue & Gold '71.

To the students, we hope that you will enjoy looking through this edition and we hope to hear some of your criticisms. If there aren't any, we may proudly assume that this is a perfect yearbook.

Joe Mroz
Peter Plaizier
MISSING:
Clarence Wiwad

Fine Arts Club

The fine arts club consists of students who are either in art or drama and assist one of the departments. For instance, the art students designed and painted the set for the play "Up the Down Staircase", and also designed posters advertising the play. Masks have also been made to assist the drama students pantomiming primitive man. These are but a few of the activities the students hope to participate in throughout the year.

Badminton Club

The purpose of the Badminton Club is to give members a chance to play the game after school. The club meets every Friday in the large and small gyms. Members are selected for the team each year to play in inter-school competitions.

Biology Club

The Biology Club is a long established club which rarely gains recognition for its efforts. The club creates an opportunity for personal and group projects involving plants and animals and their maintenance.

This year the Biology Club proposed a major project on the effects of different drugs on several generations of experimental animals. This project came to a dead end after finding that certain laws forbade this type of experiment. The next major project for the rest of the year will be to check the pollution levels of different waters, in and around the city.

P.S. We bought an alligator this year

Bowling Club

The Bowling Club was originally formed in 1969. The first years activities of the club included everything from hay rides, bowling parties to Helen Cox throwing balls at members instead of the pins. This year the club has many new plans for the future. If the lanes are filled we will have the opportunity to bowl to music. We also hope to bowl against other High School Bowling Leagues, especially Bonnie Doon. Better plans are yet to come to the club. Next year we hope that the club will continue in the same manner.

I.S.C.F. Club

I. S. C. F. is an active club in which students get together to express their ideas, ask questions, and most important of all, find answers. The purpose of the club is to know Christ and to help in strengthening Christian fellowship. We try to achieve this fellowship through a program of guest speakers, films, Bible studies, dessert meetings, and through Sunde. Hopefully, through our activities I. S. C. F. will be a meaningful experience to all those who partake in it.

Library Club

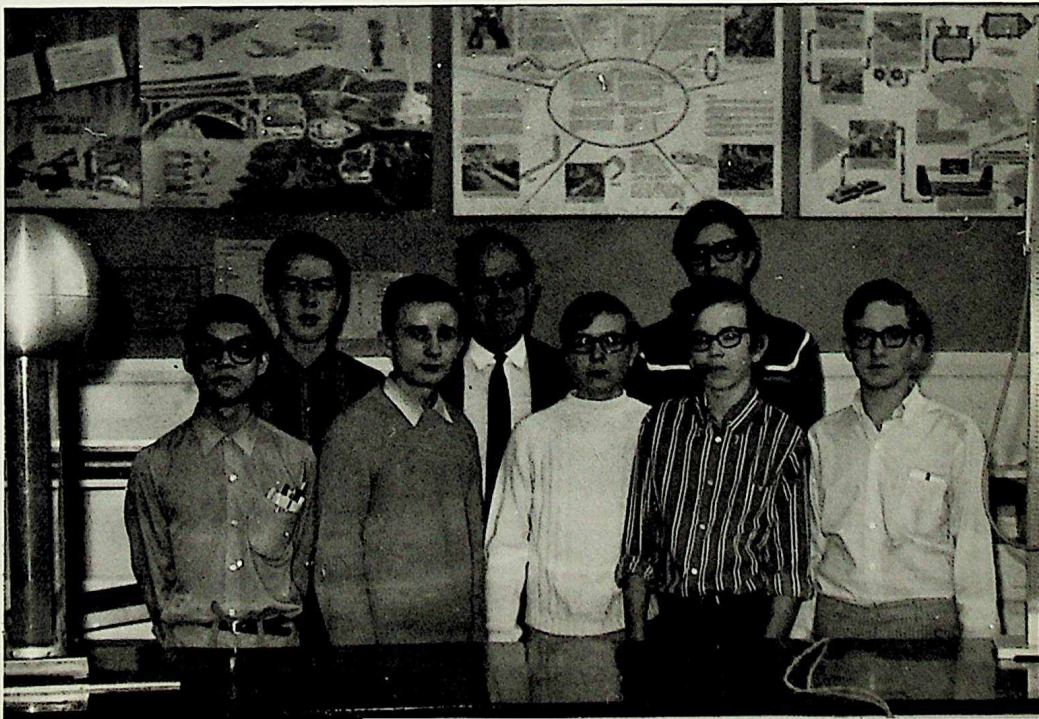

This club provides a school service by keeping the library in order, preparing book displays, shelving books, repairing and preparing books for circulation. The students are deriving the satisfaction of aiding the librarians in serving the student body, and at the same time they are obtaining respect for, and knowledge of, books.

Science Club

The Science Club has been active for a number of years at Eastglen. Its main purpose is to give those who are interested in science a chance to meet and talk.

Some encouragement is given to the development of projects. Usually the club makes one or two visits during the year to a science oriented organization. Last year it was CBX T.V., which gave members some behind-the-scenes activities at a T.V. station.

ECBS Radio Station

Although the broadcasting of the E.C.H.S. Radio Station started late in the year, it was considered to be a success. Numerous students have participated in the selection of the music played - from heavy rock to the Smothers Brothers comedy. It was an experience for everyone!

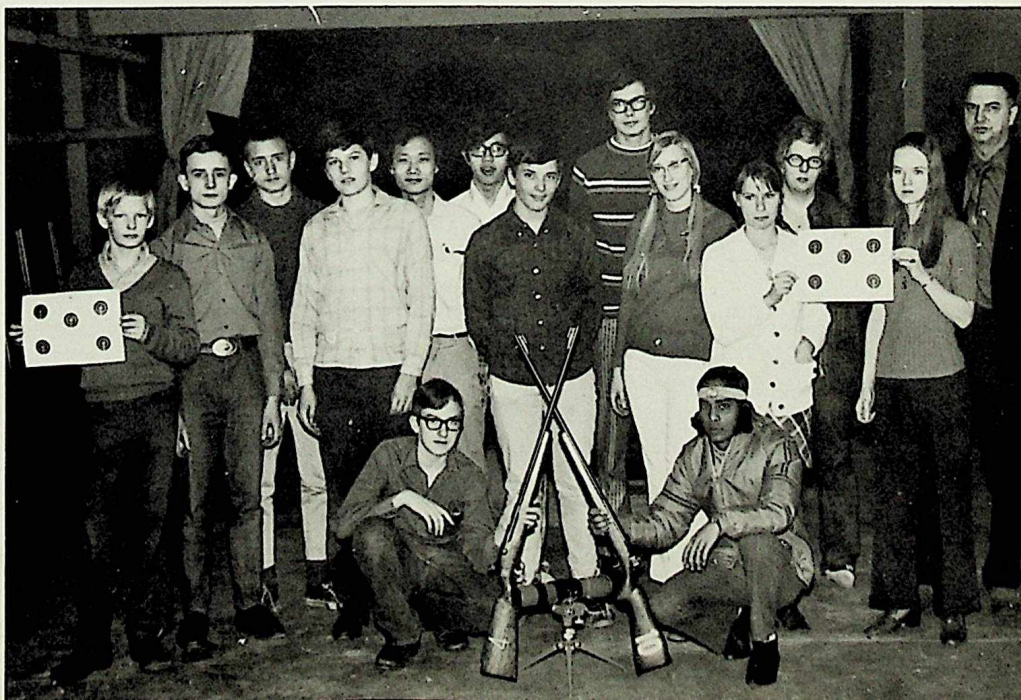

Rifle Club

The Rifle Club members learn the proper use of the .22 caliber rifles at the Eastglen Rifle Range. They develop the skill in shooting at non-living objects, be they paper targets, wooden clothespins, or tin cans. This year's membership involved almost forty students. Events of the year took in a Turkey Shoot before Christmas and three competitions against Victoria's Club. The students themselves pay for the needs of the club, and they, with the assistance of Mr. Campbell and Mr. Meakins, have kept the club going for its sixteenth year.

Support the Administration Club

Some of the more active members of the club are: FRONT ROW: Ive Lepht, Will Nautgo, R.U. Kidding, I.M. Leeving, Diane Toleeve, I. Nevrecome. SECOND ROW: Hees Gone, Musti Dooit, Auto Lunch, Stu Pid, Iven Tome. THIRD ROW: Sumun Pleezcum (President), Shee S. Gonuptowne, Harve Splytt. LAST ROW: Chee Fergo Tocum, Naughtmi Cauz, Ive Dis Apeerd, Ruth Less.

This club has proven to be the most popular one in Eastglen's entire range of extra-curricular activities. Our membership increased tremendously through the year. The school year was highlighted by our annual "Support the Administration Day" held on April 35. A banquet was held in the janitors' broomcloset of the Beverly Town Hall. Our president, Suman Pleezcum, attempted a rousing speech which was frequently interrupted by threatening chants of the bomb squad who finally crashed the affair. This smashing event was topped off by a dance which featured the famous Tin Can Allie Quartet. Other activities of the year included a giant pep rally held in the main gym during which the administration were to be introduced; strangely enough, they were nowhere to be found. We also had a Talent Show to allow the administration to "do their thing." It lasted three minutes due to an acute lack of talent, but the audience of five people enjoyed it just the same. We are sure that our club will grow to bigger and better heights next year if we all remember our slogan: "Support your administration - it could fall on your head."

Mr. Curtis (coach)
Mr. Oberle (coach)
Brian Luard (manager)

Dennis Schultz (Ass't. Man.)

Coached by Mr. Curtis and Mr. Oberle, with a little help from Mr. Lastiwka and Zane Loga, the Seniors had an outstanding season with four wins, two ties, and one loss. Early in the season the Devils were coming on strong with a good chance for a play-off berth. It was close all the way, until the last game when a win was needed to put them in play-off position. Leading 13-0 at the half, Eastglen put up a great fight but still the determined Lancers managed 13 points in the last half. The tie meant Eastglen missed the play-offs by one point. It was a big disappointment to the fans, but even a greater one to the team who had been driving themselves all season in order to take the city championship. The spirit of the returning players and the enthusiasm of the rookies should give Eastglen another strong team next year.

Junior Football

The Juniors, coached by Bob Morrissey and Doug Spence, started the season off with a bang, with three wins, over 100 points offensively, and none against. That was as far as they got, however, as the rest of the season resulted in three losses and one default. The future is unsure, depending on the rookies who will come up to high school next year.

City Champions Again!!

The Senior Girls Volleyball team played a total of 24 league games against M.E. Lazerte, McNally, Queen Elizabeth, O'Leary and Assumption Academy with no losses. This was followed by the semi-finals, which came to a total of 16 games. The She Devils came through with only one loss to Austin O'Brian by a score of 16-14. These wins lead them into the city finals against Bonnie Doon. It was the best 3 out of 5 games with the She Devils winning three straight. The first game was a close one. At one point in the game Bonnie Doon led 12-2 but the She Devils came right back to win it with a score of 16-14. These wins resulted in the Senior Girls taking the city volleyball championship for the second straight year.

They ended the season by placing third at the provincials held in Calgary. They lost to first place Calgary and second place Medicine Hat.

Along with the 43 games played to get possession of the trophy, there were exhibition games against St. Albert and the U of A Pandas.

The captain of the team was Gloria Letniak along with Greta Hanke and Pat Phillipchuk as assistant captains. The coach which lead the Eastglen She Devils on to their two years of victory was Miss D. Wilson.

Junior Girls' Volleyball Team

FRONT ROW: Karen Graf, Fran Ongarion. MIDDLE ROW: Karen Hoskins, Lynn Doley, Ellen Aust, Pat Hayes. BACK ROW: Mrs. Rosiewich, Bev McCormack, Dale Tkachuk, Margo Fredrickson, Joan Nelson, Debbie Bullock, Donna Synuiga.

The girls finished in second place in their league play, and were one of the eight teams in the play-offs. With a finish of third in the play-offs, they just missed being in the finals. Many thanks go out to Mrs. Rosiewich for the good job she did as coach. Better luck next year.

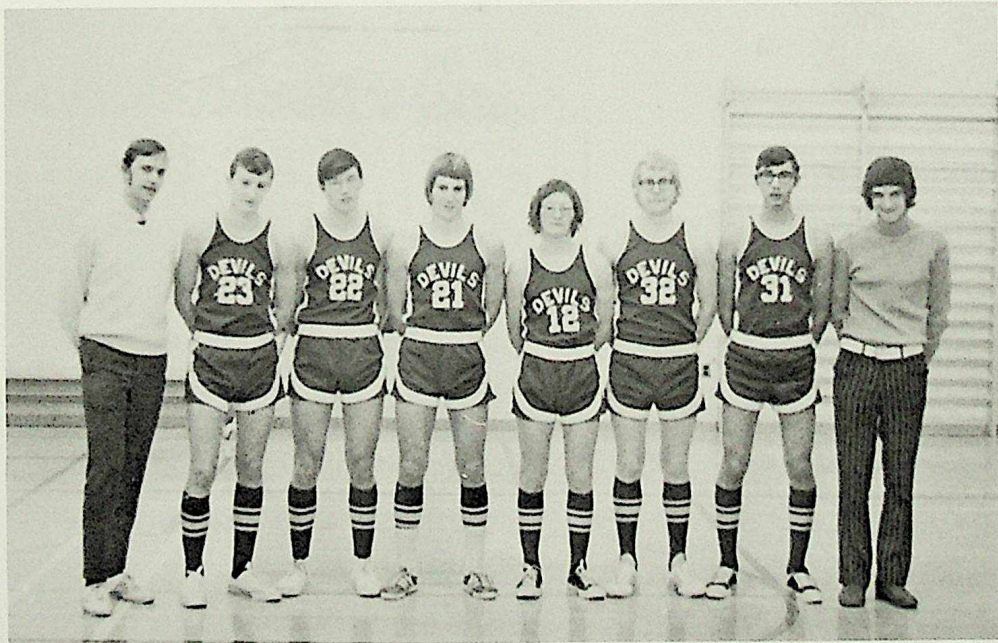

Junior Boys Volleyball

FRONT ROW: Ron Kupsch, Gary Messerschmidt, Dave Hennig, Wayne Bayrack, Allan McDonald. BACK ROW: Mr. G. Wynn, Jerry Segin, Harry Cernes, Harold Snepsts, Gordon Cove, Gordon MacDonald (captain).

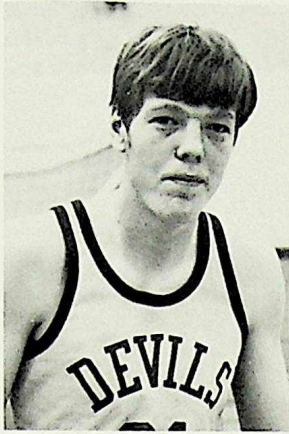

The Boy's Junior Volleyball Team had a very successful season in 1970, being undefeated in regular league play. They defeated St. Josephs and W. P. Wagner in the semi-finals and were finally defeated by the McNally Tigers in the city finals. Most of the team will be eligible to play Junior next year and could form the nucleus of a championship team.

Senior Boys' Volleyball

F. Gorgichuk - Coach

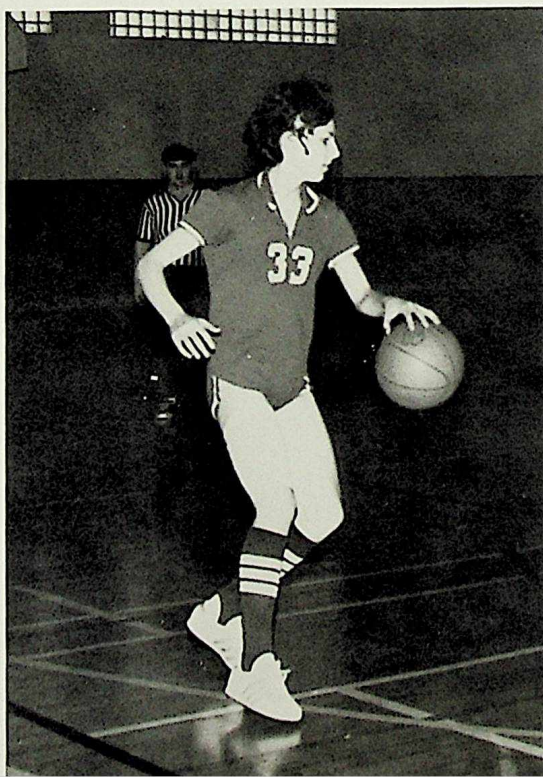

The Senior Boys started out by winning 5 of 6 exhibition games, the Redmen Trophy, and the CAPHER tournament. They also placed second at the Klondike Klassic. At the end of the regular schedule they were in fourth place and went as far as the semi-finals where they lost to Ross Shep. Best of luck to Mr. Gorgichuk and the boys for the coming years.

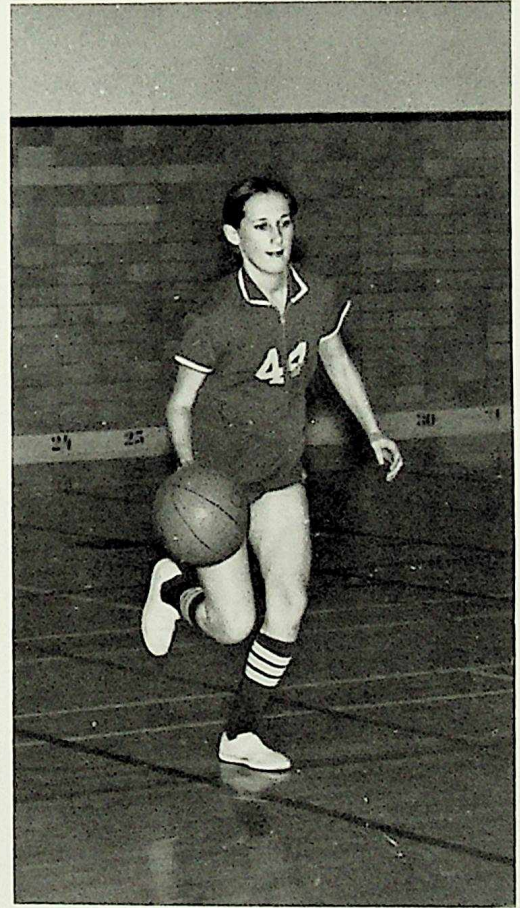

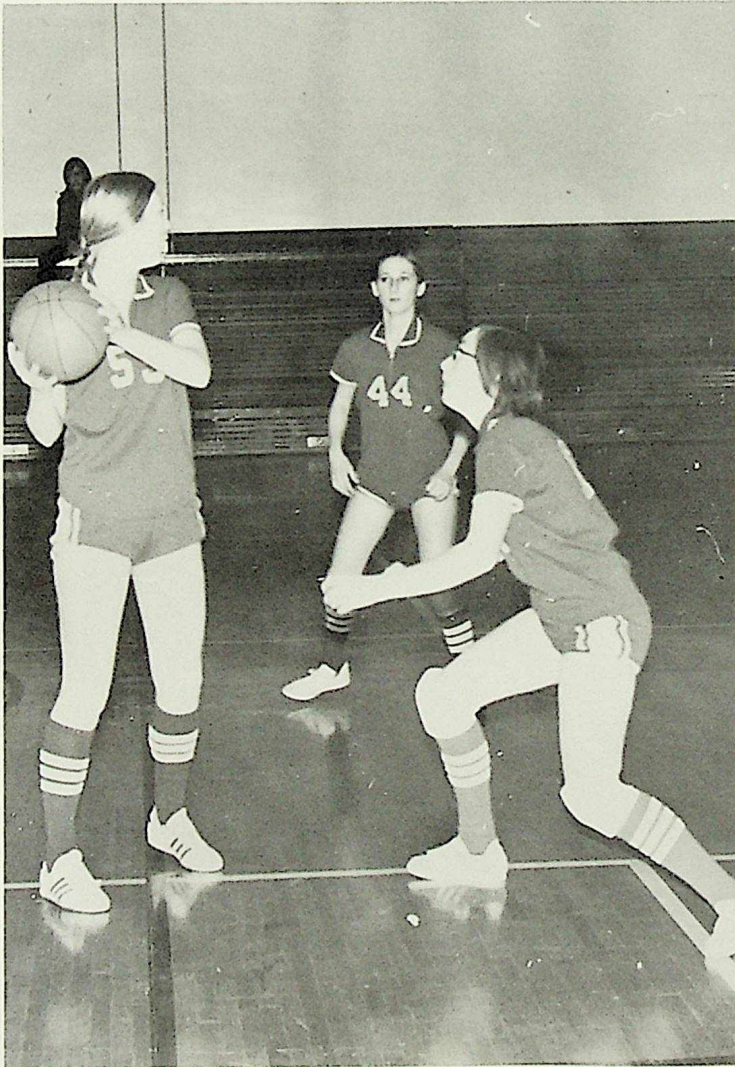

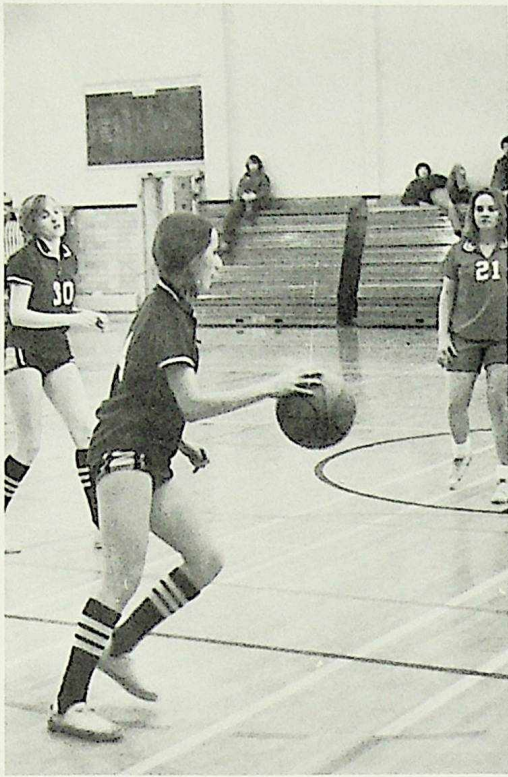

Senior Girls' Basketball Team

TOP ROW: Doma Anderson, Jackie Andrichuk, Linda Bochon, Mary-Ann Chorney, Evelyn Gushaty.
MIDDLE ROW: Greta Hanke, Gloria Letniak, Carol Melmoth, Pat Philipchuk, Denise Richman.
BOTTOM ROW: Jackie Squarok, Gail Tallas, Miss Wilson.

The season began with a defeat to M. E. Lazerte, but the girls went undefeated through the rest of the season, recording victories over such opponents as O'Leary, Queen Elizabeth, Ross Shep, and Victoria. Then came the semi-finals with the girls winning all the games. During the finals a very close game was lost to Harry Ainley. The team went on to the provincials held in Edmonton. They lost by one point to Salisbury and were defeated by the Bowness team from Calgary. Linda Bochon was the high scorer of the year.

Junior Boys' Basketball Team

FRONT ROW: Dale Gach, Mike Dronyk, Don Liber, Darrel Gach. BACK ROW: Mr. Oberle, Mike Pisesky, Rob Lane, Harold Snepst, Carl Schleiter, Jerry Segin. MISSING: Butch Vollrath.

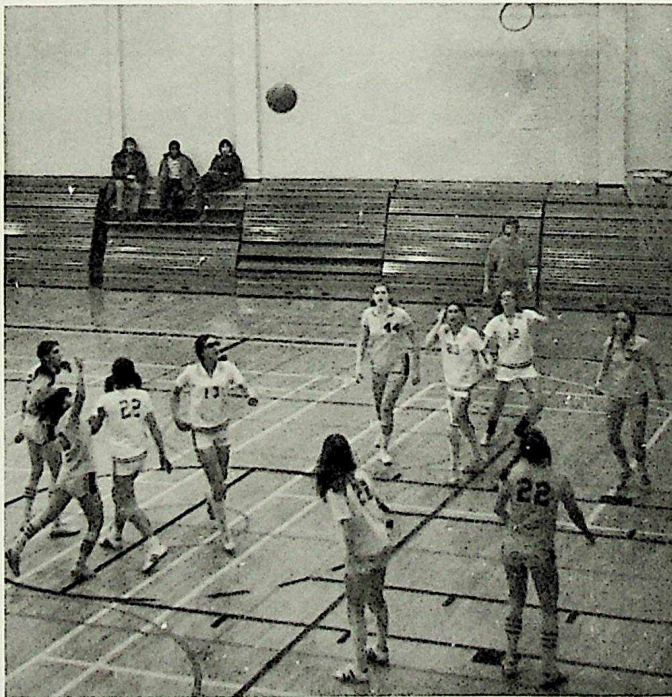

The Junior Boys' Basketball Team, coached by Mr. Oberle, finished the season in sixth place. They then went on to the semi-finals but lost to Harry Ainlay. Many thanks go to Mr. Oberle and best of luck to the team next year.

Junior Girls' Basketball Team

FRONT ROW: Domma Synuiga, Wilma Woelinga, Sue Rawlings-Captain, Barb Riddle, Joyce Sheldon.
BACK ROW: Manager-Chris Jolin, Nancy Diamond, Lynda Liber, Miss Bright-Coach, Irene Diamond, Barb Tremblay, Deb Duncan.

Our Junior Girls' Basketball Team had a very successful year. We won our 7 league games, won our quarter final, but lost the semi-finals to Bonnie Doon. Sue Rawlings topped the scoring list with 60 points and Deb Duncan with 40. Well done and good luck next year. A special thank-you to our coach, Miss Bright.

Swim Team

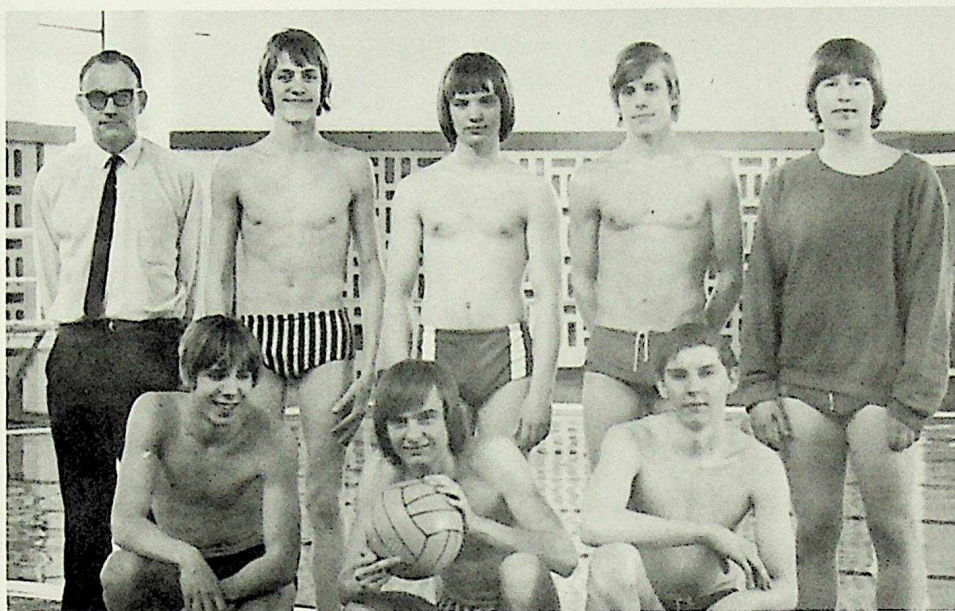

FRONT ROW: Neil Warner, Paul Fairbridge, Tom Plupek, Danny Rosich, Tom Olson. MIDDLE ROW: Sid Paterson, Darcy Kennedy, Chris Breakey, Eric Olson. BACK ROW: Janice Buker, Paula Jensen, Susan Rock, Mary Hole, Nancy Diamond, Mr. Marriott, Gayle Irwin, Laurie Lawrence, Louise Lefebvre. MISSING: Rex Vollema, Dwayne Ewanchuk, Hank Koster, Debbie Bullock, Marg Wheeler, Ellen Reid, Harry Van Woerden.

After much hard work by most, if not all the swimmers, Eastglen placed fifth in the City Finals Swim Meet. One ought not to belittle this performance when one compares the size of Eastglen with that of the top four schools in the league. The team suffered from a lack of swimmers, both male and female.

Looking on the bright side, some swimmers improved their times considerably. Although winning is an intricate part of competitive swimming, the improvement of times is of the utmost importance to our students.

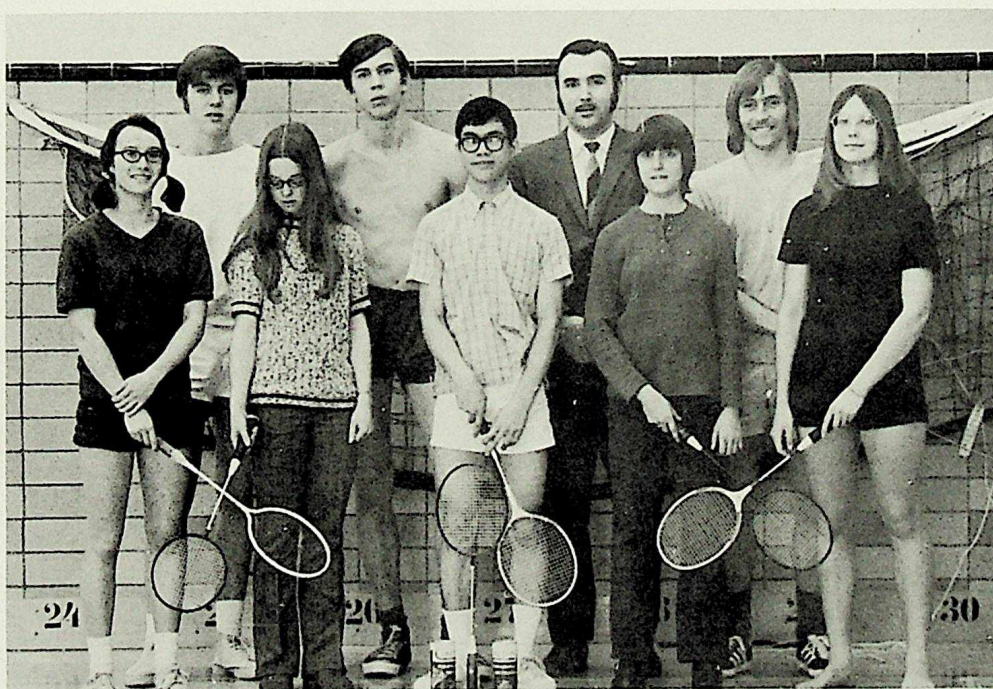

Thank you to all those who worked so long and hard for the team, particularly Louise Lefebvre and Debbie Bullock who were forced to spend the night of the final meet in hospital beds. It is hoped that they all feel their efforts have been rewarded.

Waterpolo Team

FRONT ROW: Tom Olson, Neil Warner, Chris Breakey. BACK ROW: Mr. Trenchard, Hank Koster, Darcy Kennedy, Eric Olson, Tom Plupek.

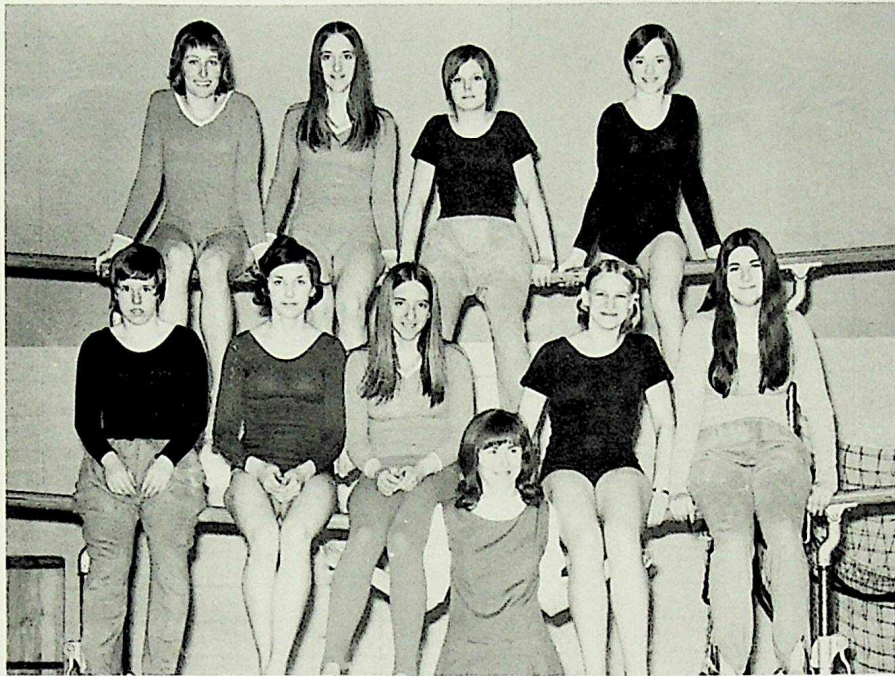

Badminton Team

FRONT ROW: Shirley Hilger, Laurie James, Ray Yee, Heather Wolters, Mary Hrudko. BACK ROW: Roland Auer, Carol Schleiter, Mr. Abramowski, Klaus Bechman.

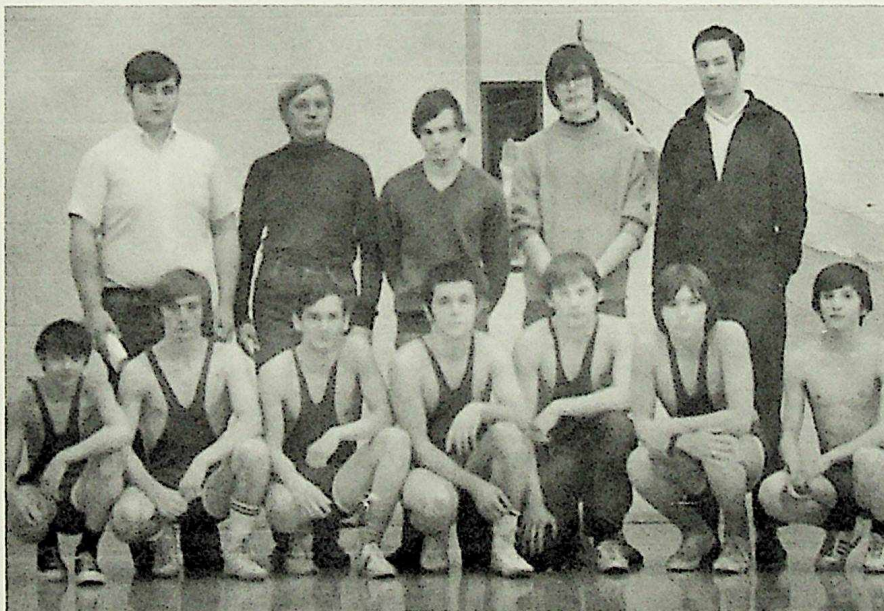

Under the coaching of Mr. Abramowski, the Badminton Team placed second in their division. However, they lost 4 of 5 matches to Harry Ainlay in the play-offs. Many thanks go to Mr. Abramowski for coaching the team and, perhaps, with more practice time, an even better team will be formed next year.

Gymnastics Club

FRONT ROW: Pat Hayes, Linda Bochon, Irene Diamond, Mrs. Rosiewich, Shirley Rosychuk, Gail Kinsella. BACK ROW: Mary Hole, Nancy Diamond, Brenda Anderson, Marilyn Cunningham. MISSING: Diane Holland, Debbie Denton, Marg Wheeler, Colleen Fidler.

Wrestling Team

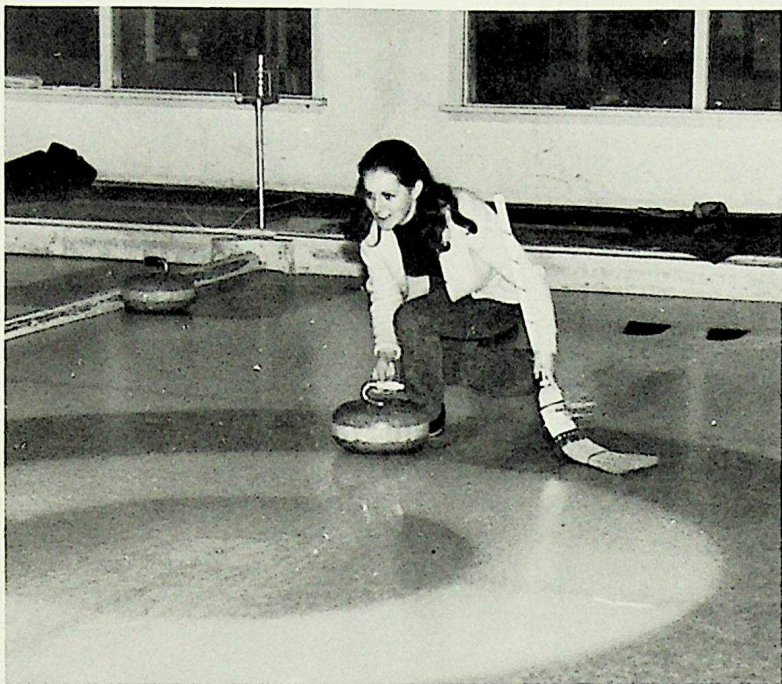

FRONT ROW: Brian Danyluk, Barrie Schulha, Randy Schur, Ron Sherstan, Rick Hansen, Strater Crowfoot, Larry Serbin. BACK ROW: Gene Loga, Ron Blond, Dwayne Woodcock, George Sidor, Mr. Curtis (coach). MISSING: Guy Knudtsen, Greg Day, Tom Kerr.

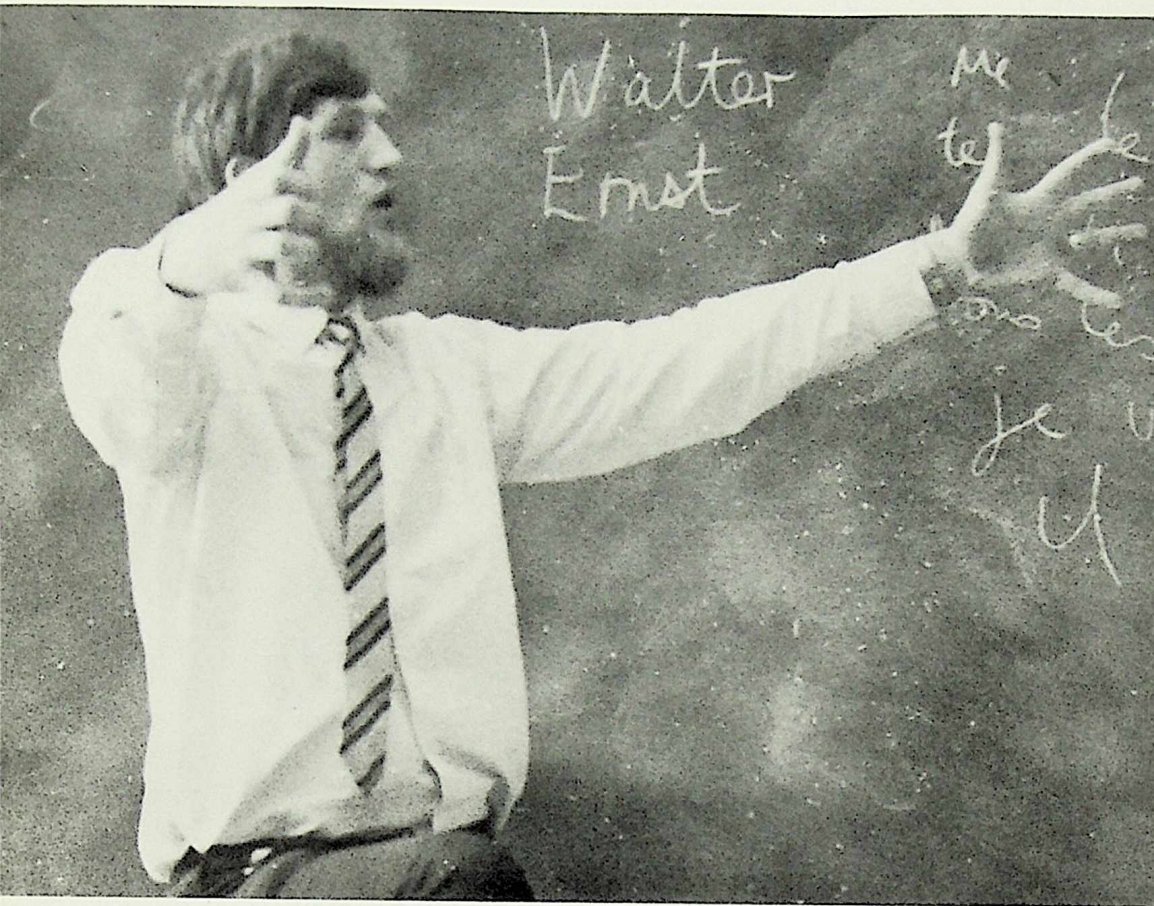

This season saw the return of seven veteran wrestlers with the addition of seven new wrestlers to the team. The quality of wrestling on the whole was not too bad, but lack of numbers left Eastglen near the bottom of the list in a strong league. Unfortunately, only two out of a possible fourteen wrestlers attended the City Championships. Seven Eastglen wrestlers fought at the Northern Alberta Championships, with two of these progressing to the Provincial Championships. Thanks to Mr. Curtis for his patience and fine work with the team.

Principal's Message

The Dennis Hall Report of 1969 identifies new and challenging dimensions for our schools. Education in the '70's must better equip young people to search for truth, each in his own way; education must expose young people to inspiration everywhere in every form of art, drama, music and poetry; it must treat young people as human beings-exquisite, complex and elegant in their diversity; it must make them more flexible, more adventurous, more daring and courageous than we were; education must inspire in young people a love of man everywhere.

Translating these challenging and exciting aims into reality cannot be achieved with the wave of a wand or by opting out and leaving the ball park. But it is my belief that the staff and students at Eastglen have on many occasions caught and held for a time the spirit and truth so earnestly presented in the Dennis Hall Report.

As you read between the lines of this, our 1970-71 yearbook, perhaps you will recognize somewhere a little of that extra beyond-the-call-of-duty striving, that understanding, that risk-taking and that respect for each other as human beings.

CULTURE

“Up the Down Staircase”

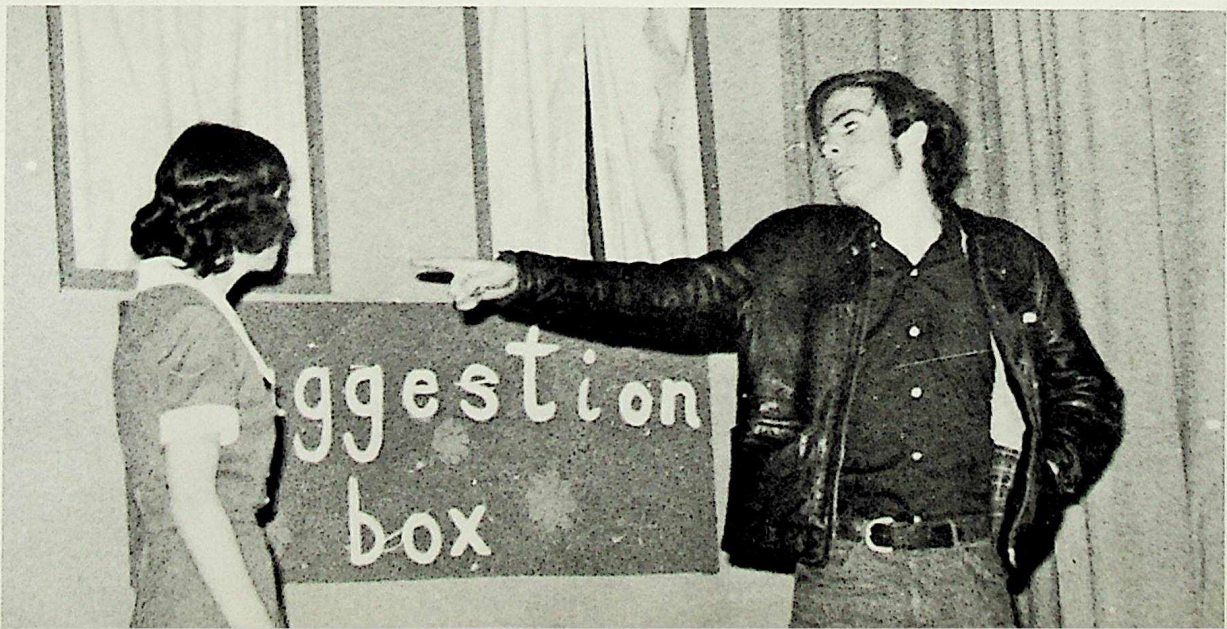

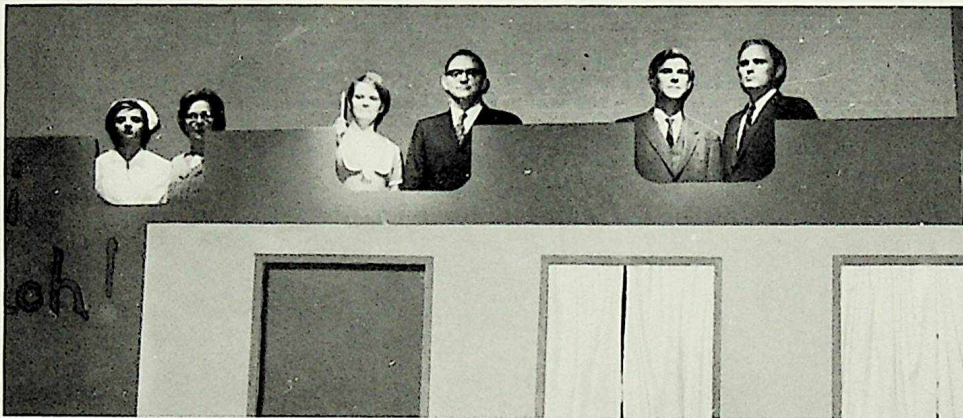

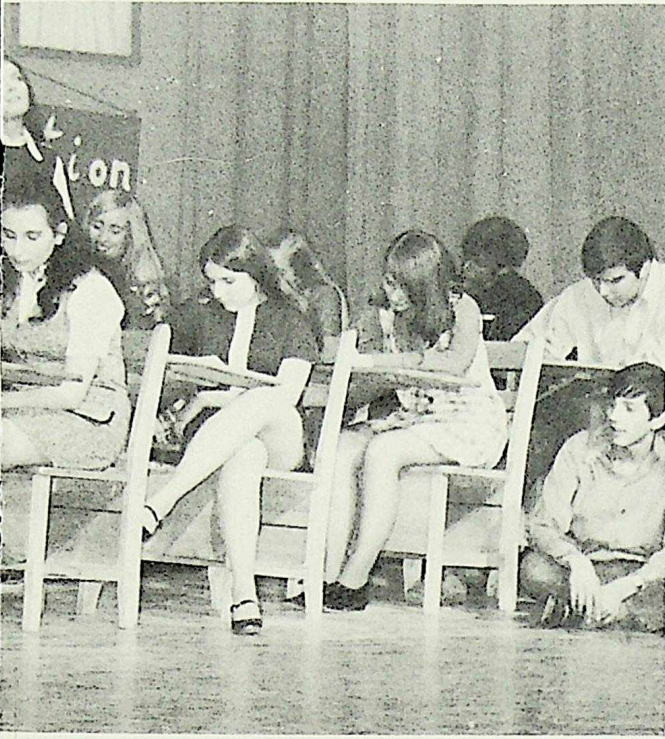

The Eastglen Drama Department presented its first play of the year, *Up the Down Staircase*, from the book by Bel Kaufman. There was impressive acting showing great talents with real co-operation between teachers and students.

Community Newspaper

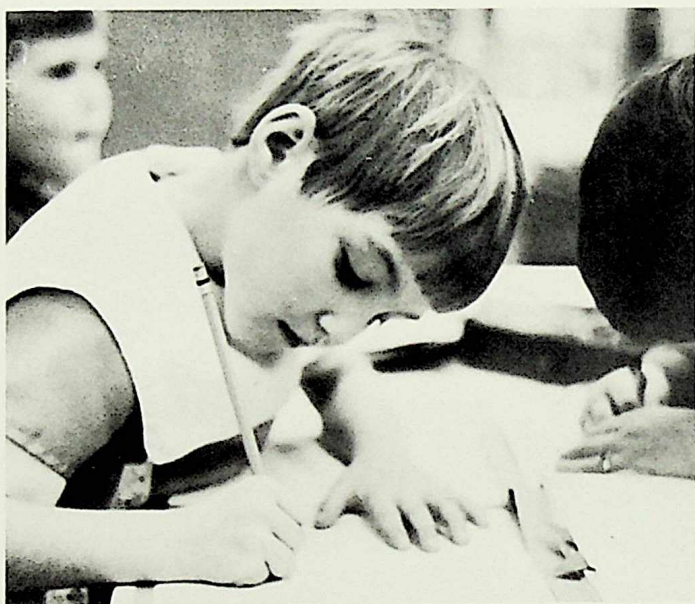

Pat Wolanick, Ray Yee, Wendy Brown, Irene Kucher, Neil Parker-Editor, Angelica Wirblich.

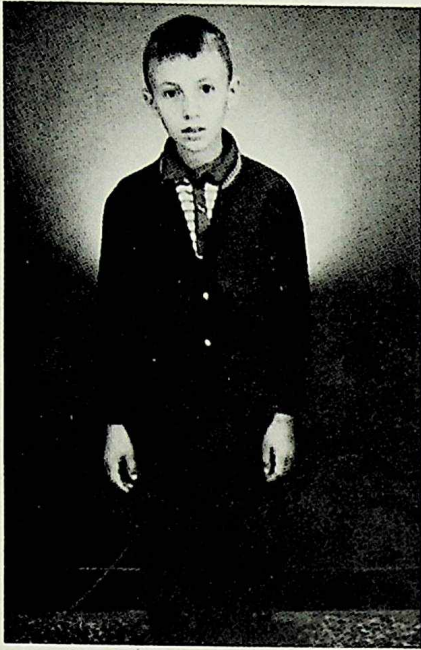

The Community Newspaper is a paper aimed at informing the community as to what is going on in the schools today. "You Never Stop Learning" is the theme of the paper. Pictures of students from grades 1 to 12 were taken and developed by the Photo Club of Eastglen. They were then sorted to find those which would best represent all the areas of learning. The paper took four months of planning and working, on the part of a few students of Eastglen before it was finally completed. It is our hope that this paper fulfilled its purpose and that it will be continued next year.

Students from Eastglen Composite High are working on an experiment in education by going to various elementary schools to help students to understand concepts in which they need extra help.

Our Foster Child -

Athanasios Anagnou

We have been writing to our foster child Athanasios Anagnou, born November 13, 1959 in Lamia, Greece, since 1967. He is now 12 years old, in grade six and wishes to continue his studies. Athanasios' family consists of his father and mother.

The Foster Parents Plan says that Athanasios is very smart!, he passed into the sixth grade with a 70% average.

This an example of a letter which he faithfully writes every month.

My Respected Foster Parents.

I'll now write to you about Christmas; the joyous and bright Christian holiday. The day that lightens the depths of human soul with the sweet light of virtue and good. It is the day that strengthens every weak heart, that washes out every sin, that makes the heart be born again among infinite seas of kindness and moral grandeur. It is the day that gave and is giving humane essence and love, truth and faith. It is the bright moment which has opened for man a wide road and has moved him away from the animal and lower life closer to our strong creator. This merry moment brought man a strong hope of salvation and makes him move incessantly towards the end of human perfection. It is the day that soothes sorrowful hearts with consolation and hope and makes them rejuvenate and see life with eyes of joy and peace. The bright event of this day transforms bitterness and pain, worry and death to an infinite valley covered with fragrant flowers of joy and happiness. Every year it lights up in the sky and deep in our hearts a bright sun of love and humane feelings and calls us to keep the eyes of our soul wide open, to welcome in abundance and generously its holy grandeur and to let its sacred demands become our life and deeds. This order is written on a golden ribbon high up in the heavens, similar to St. Constantine's banner, and is calling us, every day, to notice and apply it, but we, unfortunately . . . For November I received 240 dr. (US\$ 8.00). Greetings from my parents and me; your foster brother.

Athanasios ANAGNOU

Acknowledgements

The Yearbook staff would like to thank the following people who are not members of the staff but who helped make this edition possible:

Gordon Bezovie-for having drawn all the artwork on our division pages.

Mr. DeLaroque-for having organized the advertising which you will see at the end of this book.

Mrs. Crawford-for doing the artwork on Pg. 131.

Mr. Darrah-for looking after the financial end of the Year-book.

Roland Auer and Jim Cox-for the many hours, both week-days and weekends, they spent in the darkroom printing pictures.
